ELECTION WITH TRAVERSE

SIR:

In response to the restriction requirement dated
January 23, 2003, entry of the following election is
respectfully requested.

ELECTION

Applicants elect, with traverse, the claims
II, namely, claims 43-47.

REMARKS

Applicants have elected, with traverse, claims 43-47.
Applicants traverse the restriction requirement because under
Rule 475, Applicants are entitled to have all of claims 24-47
examined by the Patent Office in this application. Rule
475(b)(1) reads, in pertinent part, as follows:

An international or a national stage application
containing claims to different categories of invention
will be considered to have unity of invention if the
claims are drawn only to one of the following
combinations of categories:

(1) A product and a process specially adapted for
the manufacture of said product....
